

Boil Water Rescind Notice

On March 14, 2018 the Texas Commission on Environmental Quality (TCEQ) required our public water system City of Bartlett, PWS ID TX 2460006 to issue a Boil Water Notice (BWN) to inform our customers that due to the presence of contaminants or an interruption in service, water from our system must be boiled prior to consumption.

Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and/or bacteriological quality and has provided TCEQ with testing results that indicate that the water **no longer requires boiling** as of March 16, 2018.

If you have questions, contact City Hall
