## NEPOTISM LAW

The candidate must sign this statement indicating his awareness of the nepotism law. When a candidate signs the application, it is an acknowledgment that the candidate is aware of the nepotism law. The nepotism prohibitions of chapter 573, Government Code, are summarized below:

However, nothing in the law prevents the appointment, voting for, or confirmation of anyone who has been continuously employed in the office or employment for the following period prior to the election or appointment of the officer or member related to the employee in the prohibited degree: six months, if the officer or member is elected at an election other than the general election for state and county officers.

No candidate may take action to influence an employee of the office to which the candidate is seeking election or an employee or officer of the governmental body to which the candidate is seeking election regarding the appointment or employment of a person related to the candidate in a prohibited degree as noted above. This prohibition does not apply to a candidate's actions with respect to a bona fide class or category of employees or prospective employees.

# A Guide to Becoming a City Official

Updated July 2019

The Texas Municipal League exists solely to provide services to Texas cities. Since its formation in 1913, the League's mission has remained the same: to serve the needs and advocate the interests of its members.

The TML Constitution states that the purpose of the League is to "render services which individual cities have neither the time, money, nor strength to do alone."

# **Congratulations on Your Decision to File for City Office**

Serving as an effective city elected official requires dedication, knowledge, and a substantial time commitment, and there are countless reasons why people choose to run for public office. While you may have a very specific reason for seeking a place on the city council, you will be involved in a number of other issues that can have a lasting impact on your city's future. For this reason, becoming a city elected official can be one of the most rewarding experiences of your life. An understanding of your role on the city council—as a member of a team—is critical to your success.

This booklet is designed to familiarize you with the responsibilities of city elected office. Use it as a reference guide during your campaign. Don't hesitate to ask your city manager or city secretary questions about your specific city structure. If you are elected, you may want to seek out the many other resources that help to guide newly elected officials in their new roles.

Material contained in this brochure should not be viewed as a substitute for legal advice or specific information applicable to your city. In addition, if you're serious about your candidacy, you should consider other, more detailed information sources available to you, including:

- attending city council or board of aldermen meetings
- examining your charter, if your city is home rule
- reviewing city ordinances
- the *TML Handbook for Mayors and Councilmembers*

For information on elections, you may get additional information from the city clerk or secretary or the Texas Secretary of State's office. You should also consult your own attorney or familiarize yourself with the requirements of election laws.

## **Leadership Attributes for Councilmembers**

Do you have the necessary leadership attributes to be an effective city leader? At a minimum, successful elected officials must devote a significant amount of time and energy to fulfill a position that answers directly to citizens. Some desirable leadership attributes include:

- a general understanding of city government
- willingness to learn about a wide range of topics
- integrity

- consistency
- confidence
- dedication to the interests of citizens and the community as a whole
- strong communication and team-building skills, including being a good listener
- openness to the thoughts and ideas of others
- being approachable and accessible
- willingness to work cooperatively with others

## **An Elected Official Wears Many Hats**

Local elected officials have many responsibilities—policymaker, legislator, ambassador, and employer.

The office of mayor is the highest elected office in city government. City councilmembers are the city’s legislators, and their primary role is policymaking. The manner in which administrative responsibilities are handled depends on your city type, with which you should be familiar.

### **Policymaker**

As policymakers, it is the council’s responsibility to identify the needs of the citizens and to formulate a plan to meet those needs. Policymaking is a complicated process but can be simplified if the city council works together as a team and sets goals for the city. It is from the city council’s vision that the administrative staff of the city takes direction and goes about its daily work. The goals of the city should be clear. There are many legal, financial, and administrative considerations to implementing the goals of the city, and without clear direction the effectiveness of the city council can be diminished.

### **Legislator**

Citizens look to the city council to exercise authority to preserve and promote their health, safety, and welfare. A city council may enact ordinances and resolutions and use its governmental powers for the public good. Citizens expect their city council to provide leadership in addressing issues. It is important to show respect for your fellow councilmembers and be willing to discuss issues thoroughly to reach a consensus on the best course of action for all citizens, whatever the issue.

### **Ambassador**

As a member of your city council, you will be invited to participate in a variety of civic activities. These events will provide you opportunities to learn more about what citizens of your city expect from city government. While not everyone likes this type of public spotlight, it is an important part of your role as a councilmember.

### **Employer**

An understanding of your role as an elected official is vital to your relationship with the city staff. Just as in any productive employer-employee relationship, trust and respect are important. You can learn a great deal about the city from city employees. In many cities, councilmembers come and go, but the city staff continues to serve.

## **Mayors, Councils, and Boards of Aldermen**

The mayor and city council or board of aldermen collectively serve as the governing body for a city and normally possess all legislative powers granted by state law. The positions of both councilmember and alderman have been compared to those of the members of the state legislature and the United States Congress. All these positions require elected officials to represent their constituents, to make policy decisions, to budget for the execution of the policies, and to see that their policies are carried out. Unlike their counterparts in state and federal offices, however, city officials are in direct contact with the citizens they serve on an ongoing basis.

## **Are You Eligible?**

To run for office in a general law city in Texas, you must, among other requirements:

- be a citizen of the United States;
- be at least 18 years old on the date of the election; and
- be a registered voter and have lived in the State of Texas for at least 12 consecutive months prior to the filing date for the election, and in your city or ward for at least 6 months prior to the filing date for the election.

Certain offices and certain city types have additional requirements in state law, so you should be sure to check with both the city and the Texas Secretary of State's Elections Division to ensure that you are eligible. A home rule city may set different requirements in its charter, so check with your city clerk or secretary on whether additional or different requirements apply. The Texas Secretary of State website is at [www.sos.state.tx.us](http://www.sos.state.tx.us).

## **Filing for a Place on the Ballot**

To run for city office, you must file an application with the city clerk or secretary. The application includes information required by the Texas Election Code and must be filed according to deadlines set by that code. A candidate may either file for a place on the ballot or as a write-in candidate, but an application must be filed in either case. A home rule city may also have additional requirements and procedures for filing for a place on the ballot. Your city clerk or secretary can inform you of the rules and deadlines.

# **Texas Ethics Commission Campaign Finance Filings**

State law requires the filing of various forms by a candidate for city office.

All candidates for city offices must file an “Appointment of a Campaign Treasurer by a Candidate” form with the city secretary before beginning their campaigns. Candidates who do not intend to accept more than \$500 in political contributions or make more than \$500 in political expenditures may file a modified reporting declaration and operate under modified reporting. Under modified reporting, the candidate is not required to file any further forms beyond the final report, which is filed at the end of the campaign. Semiannual reports may still be required in some cases.

Candidates who intend to accept more than \$500 in political contributions or make more than \$500 in political expenditures, or who exceed that amount even after filing for modified reporting, must file under regular reporting requirements. Reports due under these requirements must be submitted by January 15 and July 15 of each year. The reports filed on these dates are known as semiannual reports. An opposed candidate in an upcoming city election who is using regular reporting must file reports of contributions and expenditures 30 days and 8 days before the election. A candidate in a runoff must file a report 8 days before the runoff election. Candidates filing under regular reporting are also required to file a final report at the end of the campaign.

Detailed information on filing is available on the Texas Ethics Commission’s website at [www.ethics.state.tx.us](http://www.ethics.state.tx.us).

## **An Introduction to City Government**

Elected city officials should have a basic understanding of city government and the duties, authority, and limitations of an elected body. What follows is a brief introduction to a few basic governance issues.

Of course, there is no better way to understand what elected officials do than to attend council meetings. In addition, most cities and towns have advisory boards that are formed to make or recommend policy or quasi-judicial decisions, such as a planning commission or parks and recreation board. Serving on these and other appointed boards is another excellent way to become informed.

## **Types of City Government**

Texas has more than 1,200 incorporated cities; each of them is either a home rule city or a general law city.

Home rule cities are larger cities. A city with a population of more than 5,000 in which the citizens have adopted a home rule charter through an election is a home rule city. A home rule charter is the document that establishes the city's governmental structure and provides for the distribution of powers and duties.

General law cities are usually smaller cities. General law cities don't have charters. Rather, they operate according to specific state statutes. A general law city looks to the state constitution and state statutes to determine what it **may do**. If state law doesn't grant a general law city the express or implied power to initiate a particular action, none may be taken. There are three categories of general law cities: type A, B, or C. If you are seeking office in a general law city, you should ask your city manager or city secretary to clarify the type in order to understand which state laws apply.

As opposed to general law cities, a home rule city operates according to its charter and looks to the state constitution and state statutes to determine what it **may not do**.

## Forms of Government

There are two prevalent forms of city government in Texas:

### Mayor-Council Structure

- The mayor is the ceremonial head of government and presides over council or board of aldermen meetings.
- The council or board of aldermen sets meetings.
- The council or board of aldermen sets policy.
- Depending on local charter and/or ordinances, applicable statute, or local practice, broad or limited administrative authority is vested with the mayor or members of the council or board of aldermen or with an administrator or designated department heads appointed by the mayor, council, or board of aldermen.

### Council-Manager Structure

- The mayor is the ceremonial head of government and presides over council meetings.
- The council sets policy and hires and fires the manager.
- The city manager normally has broad administrative authority.

## Basic City Services

Services provided by cities vary. However, some typical services may include:

**Public Safety**—police, fire, and sometimes ambulance service

**Utilities**—water and sewer, trash collection, electric power, and natural gas

**Land Use**—planning, zoning, code enforcement, and other regulatory activities

**Transportation**—street construction and maintenance, traffic safety, and sometimes public transit

**Recreation/Culture**—parks, recreation, libraries, and sometimes cultural facilities

**Legal**—ordinances protecting the public health, safety, and welfare of the community

## City Finance

In budgeting, the governing body makes important decisions about the operation and priorities of the city. Is a swimming pool more important than storm sewers? Does the city need a new library more than it needs extra police personnel? Should the potholes be filled or the street completely rebuilt? Budgeting is a process by which the governing body determines the city's standard of living—what the citizens need and want, what they are willing to pay, and what services they can expect to receive for their tax dollars.

Cities levy specific taxes to finance city services. In addition, many city services are financed in whole or in part by user fees and charges. The following are the most common taxes and fees levied by Texas cities:

**Property tax**—levied on the valuation of taxable property located within the city

**Sales tax**—levied on retail sales of tangible personal property and some specific services

**Right-of-way rental fees**—levied on non-municipally owned utilities (telecommunications, electric, gas, water, cable television)

Finally, cities receive some revenues from various federal and state grant and allocation programs. TML provides a comprehensive guide to all revenue sources available to cities. The guide is called the *TML Revenue Manual for Texas Cities* and is available at [www.tml.org](http://www.tml.org).

## Ethics and Conflicts of Interest

Various laws govern the behavior of a city official. A brief overview of the most commonly-applicable statutes follows.

## Local Government Code Chapter 171 – Conflicts of Interest

**Definition of “conflict of interest”:** A local public official has a conflict of interest in a matter if any action on the matter would involve a business entity or real property

in which the official has a substantial interest, and if an action on the matter will result in a special economic effect on the business that is distinguishable from the effect on the public, or in the case of a substantial interest in real property, it is reasonably foreseeable that the action will have a special economic effect on the value of the property, distinguishable from its effect on the public. A local public official is also considered to have a substantial interest if a close relative has such an interest.

**General rule:** If a local public official has a conflict of interest in regard to a business entity or real property, that official must file an affidavit with the city secretary stating the interest and must abstain from any participation or vote on the matter.

**Exception:** If a local public official has a conflict of interest and files an affidavit, the official is not required to abstain from further participation or a vote on the matter if a majority of the members of the governing body also have a conflict of interest and file an affidavit.

**Penalties:** Penalties for violating the conflict of interest provisions range from having the action voided to the imposition of fines and incarceration.

## **Local Government Code Chapter 176 – Conflicts Disclosure**

Local Government Code Chapter 176 requires that “local government officers”—including mayors, councilmembers, and certain other executive city officers and agents—file a “conflicts disclosure statement” with a city’s records administrator within seven days of becoming aware of any of the following situations:

- A city officer or the officer’s family member has an employment or business relationship that results in taxable income of more than \$2,500 in the preceding 12 months with a person who has contracted with or is considering contracting with the city (“vendor”).
- A city officer or the officer’s family member receives and accepts one or more gifts with an aggregate value of \$100 in the preceding 12 months from a vendor.
- A city officer has a family relationship with a vendor.

The law also requires a vendor to file a “conflict of interest questionnaire” if the vendor has a business relationship with the city and has an employment or other relationship with an officer or officer’s family members, has given a gift to either, or has a family relationship with a city officer. The conflicts disclosure statement and

the conflict of interest questionnaire are created by the Texas Ethics Commission and are available online at [www.ethics.state.tx.us](http://www.ethics.state.tx.us). An officer who knowingly fails to file the statement commits either a class A, B, or C misdemeanor, depending on the amount of the contract.

## **Government Code Chapter 553 – Conflicts Disclosure**

Government Code Chapter 553 requires that city officers and candidates for city office who have a legal or equitable interest in property that is to be acquired with public funds file an affidavit within 10 days before the date on which the property is to be acquired by purchase or condemnation. The affidavit must be filed with: (1) the county clerk of the county in which the officer or candidate resides; and (2) the county clerk of each county in which the property is located.

A person who fails to file the required affidavit is presumed to have committed a Class A misdemeanor offense if the person had actual notice of the acquisition or intended acquisition of the property.

## **Financial Disclosure for Cities of a Population of 100,000 or More**

Chapter 145 of the Texas Local Government Code requires candidates and elected city officials in cities with a population of 100,000 or more to fill out detailed financial statements to be filed with the city secretary or city clerk.

## **Nepotism**

**Definition of "nepotism":** Nepotism is the appointment or employment of a close relative of a city's "final hiring authority (the city council or city manager, depending on the form of government)" to a paid position with the city.

**General rule:** A public official, acting alone or as a member of a governing body, generally may not appoint a close relative to a paid position, regardless of the relative's merit. In addition, a person may not continue to be employed by a city if a close relative is elected to the city council, unless he or she falls under an exception.

**Exception:** If the employee has been continuously employed by the city for a certain period of time, an employee may remain employed by the city if a close relative is elected to city council.

**Exception:** The nepotism statute does not apply to cities with fewer than 200 people.

**Penalties:** Penalties for violating the nepotism provisions include a fine and immediate removal from office.

## Dual Office-Holding/Incompatibility

**Definition of “dual office-holding” and general rule:** The Texas Constitution generally prohibits one person from holding more than one paid public office.

**Definition of “incompatibility” and general rule:** Texas law prohibits one person from holding two public offices, regardless of whether one or both offices are paid, if one position might impose its policies on the other or subject it to control in some other way. There are three types of incompatibility: (1) “self-appointment” incompatibility prohibits a member of a governing body from being appointed to a position over which the governing body has appointment authority; (2) “self-employment” incompatibility prohibits a member of a governing body from being employed in a position over which the governing body has employment authority; and (3) “conflicting loyalties” incompatibility prohibits one person from holding two public offices in which the duties of one office might negatively affect the duties of the other office.

**Penalties:** A person who accepts a prohibited second office automatically resigns the first office.

## Open Government

Before assuming public office, you should become familiar with Texas Open Meetings Act (TOMA) and Public Information Act (PIA). These laws apply to political subdivisions in Texas, including cities, and outline what meetings and information must be open and available to the public.

## Texas Open Meetings Act (TOMA)

The Texas Open Meetings Act (TOMA) reflects the policy that public bodies are engaged in the public’s business. Consequently, city council or board of aldermen meetings should be open to the public and held only after the public has been properly notified. The TOMA governs how city meetings are conducted. Some general principles follow.

**Definition of “meeting”:** A meeting occurs any time a quorum of the city council discusses public business that is within the city council’s jurisdiction, regardless of the location or means of communication (e.g., phone, in person, email).

**General rule:** Every regular, special, or called meeting of the city council and most boards and commissions (depending on membership and authority) must be open to the public.

**Exception:** TOMA does not apply to purely social gatherings, conventions and workshops, ceremonial events, press conferences, or candidate forums, so long as any discussion of city business is incidental to the purpose of the gathering, and no action is taken.

**Exception:** A city may use an online message board that is viewable by the public for city councilmembers to discuss city business. The message board must meet several criteria provided for in TOMA.

**Exception:** Statutorily authorized executive or "closed" sessions, including deliberations concerning: (1) purchase or lease of real property; (2) consultation with attorney; (3) personnel matters; (4) economic development; (5) certain homeland security matters; and (6) certain cyber-security matters.

To hold an executive session, the governing body must first convene in open session, identify which issues will be discussed in executive session, and cite the applicable exception. All final actions, decisions, or votes must be made in an open meeting.

**Agenda:** A governmental body must post an agenda that includes the date, hour, place, and subject of each meeting. The agenda must be posted on a regular or electronic bulletin board at city hall in a place readily accessible to the public at all times for at least 72 hours before the meeting. In addition, for cities that have an Internet website, the city must post the city council's agenda 72 hours before the meeting on that website.

**Records of meetings:** Cities must keep written minutes or recordings of all open meetings, and a certified agenda or recording of all executive/closed meetings, except for closed consultations with an attorney. The minutes must state the subject and indicate each vote, decision, or other action taken, and a city that has a website must post the approved minutes on that website.

Minutes and recording of an open meeting are public records, while certified agendas and recording of a closed meeting are confidential and cannot be released to the public except by court order.

**Penalties:** Penalties for violating the TOMA range from having the action voided to the imposition of fines and incarceration. Any action taken in violation is voidable and may be reversed in a civil lawsuit. There are four criminal provisions under the TOMA, including:

- (1) Knowingly engaging in a series of communications of less than a quorum of members discussing city business that will ultimately be deliberated by a quorum of members;
  - (2) Calling or participating in an impermissible closed meeting;
  - (3) Participating in an executive session without a certified agenda or recording;
- and
- (4) Disclosing a certified agenda or recording to a member of the public.

## **Texas Public Information Act (PIA)**

The Texas Public Information Act governs the availability of city records to the public. Some general provisions follow.

**Definition of “public information”:** Public information includes any information that is collected, assembled, or maintained by or for a governmental entity, regardless of the format. Public information can include city-related emails or texts on a city official’s personal devices/accounts.

**General rule:** Most information held by a city is presumed to be public information and must be released pursuant to a written request.

**Exceptions:** Specific statutory exceptions to disclosure allow certain types of information to be withheld from the public. Other statutes make certain kinds of information “confidential by law,” meaning that a city must withhold that information from the public. Because there are numerous exceptions, city officials should consult with local counsel immediately on receipt of a request.

**Procedure:** Any member of the public may request information in writing. A city official is prohibited from inquiring into the requestor’s motives and is generally limited to: (1) releasing the information as quickly as is practicable, but generally not later than ten business days following the request; or (2) requesting an opinion from the Texas attorney general’s office within ten business days of the receipt of the request as to whether the information may be withheld. Recent statutory changes and rulings by the attorney general have granted cities the authority to withhold specified types of confidential information without going through the process of seeking an opinion from the attorney general’s office.

**Penalties:** Penalties for violating the PIA range from a civil lawsuit against the city or a city official to the imposition of fines and incarceration. There are three general criminal provisions under the PIA, including: (1) refusing to provide public information; (2) providing confidential information; and (3) destroying government information improperly.

## **Open Government Training**

Each elected or appointed member of a governmental body must take at least one hour of training in both the Open Meetings Act and the Public Information Act. For more information, please visit the attorney general's website at [www.texasattorneygeneral.gov](http://www.texasattorneygeneral.gov).

## A Basic Glossary of City Government

**Budgeting:** Crafting, passing, and following a city budget are among the most important tasks you will perform as a councilmember. Cities cannot make expenditures except in strict accordance with a budget, and they can levy taxes only in accordance with the budget.

**Conflicts of Interest:** As a councilmember, you are prohibited from voting or deliberating on agenda items that affect your own business, financial interests, or real property. You'll be required to file an affidavit with the city secretary disclosing the details of your conflict, and that affidavit becomes a public record. Also, you are required to disclose in writing the receipt of any gifts or income from any vendor that does business with the city.

**Dual Office-Holding/Incompatibility:** Councilmembers cannot hold other paid public offices; in many cases, they cannot hold other unpaid public offices, either. Further, councilmembers can't take paid jobs with their own city, nor can they appoint themselves to other posts or positions. Finally, think twice about announcing to run for another public office while you're still a councilmember—you may automatically resign your council seat when you do. Check with your city attorney or the Texas Municipal League before considering any other position or job that might be a problem.

**Employment Policies:** In general law cities, the final authority on employment decisions typically rests with the council as a whole. In home rule cities, the charter usually determines who makes employment decisions. As a member of the council, you should familiarize yourself with the city's employment policies and periodically consult with your city attorney to ensure the policies are kept up to date.

**Government Transparency:** The Texas Public Information Act and the Open Meetings Act require access to records and meetings. After a city receives a written request for information under the Public Information Act, it must promptly provide copies or access to information, with limited exceptions. The Texas attorney general generally determines whether information is excepted from disclosure to the public. City councils are required to conduct their meetings in accordance with the Open Meetings Act. City officials are required by law to attend training in both Acts.

**Gifts and Donations:** Cities are prohibited by the Texas Constitution from giving money or any thing of value to a private individual, association, or corporation. The exception to this doctrine is when the city council determines that a donation will serve a public purpose of the city. The decision as to what constitutes a public purpose is left to the discretion of the city council, but may be overturned by a court. State law also places strict requirements on what gifts an elected official or candidate may receive. Officials and candidates should review these rules before giving or accepting any gift.

**Holdover:** The Texas Constitution includes a provision that allows an elected official who is no longer qualified for office to continue to serve until his or her vacancy is filled by a qualified individual. This provision allows a city to continue to conduct business even when it loses one or more councilmembers. However, some disqualifications may prevent the disqualified councilmember from continuing to serve as a holdover, and this issue should be reviewed upon the vacancy being created.

**Liability:** Councilmembers will generally be held personally liable only for actions taken outside the scope of their duties and responsibilities as members of the governing body. However, the city itself will be potentially liable for actions taken by its councilmembers within the scope of their official duties. (See Tort Claims Act below.)

**Meeting:** Almost everyone intuitively knows what a meeting is. For example, a regular meeting of a city council, where agenda items are discussed and formal action is taken, is clearly a meeting. However, according to the Texas Open Meetings Act, other gatherings of the members of a governmental body may constitute a meeting. Generally, any time a quorum is present and city business is discussed, all of the Open Meetings Act requirements, including posting of a notice and preparation of minutes, must be followed.

**Quorum:** A city council must have a quorum to call a meeting to order and conduct business. The number of councilmembers required to establish a quorum varies by city. A quorum in a general law city is determined by state law, and a quorum in a home rule city is spelled out in the city's charter.

**Tort Claims Act:** The Texas Tort Claims Act limits governmental liability and provides for damage caps for governmental entities. The Act provides that liability for engaging in 36 specifically enumerated "governmental functions" (such as provision of police and fire protection, maintaining city parks, and other activities one expects of a local government) is limited by statute to \$250,000 for personal injury claims and \$100,000 for property damage claims. The Tort Claims Act does not generally provide for private causes of action against individual councilmembers for the actions of the city government.

**Votes by Council:** When a council votes on an ordinance or resolution, all that is typically needed to pass the item is a majority of those present and voting. While a quorum is the number needed to conduct a meeting, it is not necessary that a quorum actually vote on each agenda item. Local practices may vary from city to city, however.

## **Good Luck**

We wish you luck in the election. No matter the outcome, you will find the process rewarding and should be proud that you made the decision to offer your time and commitment to the citizens of your city. If you are elected, the Texas Municipal League is here to assist you. Contact us at 512-231-7400 or [www.tml.org](http://www.tml.org).

### **Who Belongs to TML?**

Membership in the League is voluntary and is open to any city in Texas. From the original 14 members, TML's membership has grown to more than 1,150 cities. Over 16,000 mayors, councilmembers, city managers, city attorneys, and department heads are member officials of the League by virtue of their cities' participation. Associate memberships are available to private sector organizations and companies that strive to provide quality services to municipal government.

### **TML Service Statement**

In serving its member cities, the League strives to:

- Represent the interests of member cities before legislative, administrative, and judicial bodies at the state and federal levels.
- Sponsor and conduct an annual conference and other conferences, seminars, meetings, and workshops for the purpose of studying city issues and exchanging information regarding city government.
- Publish and circulate an official magazine and other publications, reports, and newsletters of interest to member cities.
- Provide for and conduct training on relevant and timely topics related to city government.
- Alert member cities of important governmental or private sector actions or proposed actions that may affect city operations.

## **APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE**

### **GENERAL INSTRUCTIONS**

*These instructions are for the APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (Form CTA). Use Form CTA only for appointing your campaign treasurer. Use the AMENDMENT (Form ACTA) for changing information previously reported on Form CTA and for renewing your choice to report under the modified schedule. Note: Candidates for most judicial offices use Form JCTA to file a campaign treasurer appointment.*

### **DUTIES OF A CANDIDATE OR OFFICEHOLDER**

As a candidate or officeholder, you alone, not the campaign treasurer, are responsible for filing this form and all candidate/officeholder reports of contributions, expenditures, and loans. Failing to file a report on time or filing an incomplete report may subject you to criminal or civil penalties.

### **QUALIFICATIONS OF CAMPAIGN TREASURER**

A person is ineligible for appointment as a campaign treasurer if the person is the campaign treasurer of a political committee that has outstanding filing obligations (including outstanding penalties). This prohibition does not apply if the committee in connection with which the ineligibility arose has not accepted more than \$5,000 in political contributions or made more than \$5,000 in political expenditures in any semiannual reporting period. A person who violates this prohibition is liable for a civil penalty not to exceed three times the amount of political contributions accepted or political expenditures made in violation of this provision. Note: A candidate may appoint himself or herself as his or her own campaign treasurer.

### **DUTIES OF A CAMPAIGN TREASURER**

State law does not impose any obligations on a candidate's campaign treasurer.

### **REQUIREMENT TO FILE BEFORE BEGINNING A CAMPAIGN**

If you plan to run for a public office in Texas (except for a federal office), you must file this form when you become a candidate even if you do not intend to accept campaign contributions or make campaign expenditures. A "candidate" is a person who knowingly and willingly takes affirmative action for the purpose of gaining nomination or election to public office or for the purpose of satisfying financial obligations incurred by the person in connection with the campaign for nomination or election. Examples of affirmative action include:

- (A) the filing of a campaign treasurer appointment, except that the filing does not constitute candidacy or an announcement of candidacy for purposes of the automatic resignation provisions of Article XVI, Section 65, or Article XI, Section 11, of the Texas Constitution;
- (B) the filing of an application for a place on the ballot;

- (C) the filing of an application for nomination by convention;
- (D) the filing of a declaration of intent to become an independent candidate or a declaration of write-in candidacy;
- (E) the making of a public announcement of a definite intent to run for public office in a particular election, regardless of whether the specific office is mentioned in the announcement;
- (F) before a public announcement of intent, the making of a statement of definite intent to run for public office and the soliciting of support by letter or other mode of communication;
- (G) the soliciting or accepting of a campaign contribution or the making of a campaign expenditure; and
- (H) the seeking of the nomination of an executive committee of a political party to fill a vacancy.

Additionally, the law provides that you must file this form before you may accept a campaign contribution or make or authorize a campaign expenditure, including an expenditure from your personal funds. A filing fee paid to a filing authority to qualify for a place on a ballot is a campaign expenditure that may not be made before filing a campaign treasurer appointment form with the proper filing authority.

If you are an officeholder, you may make officeholder expenditures and accept officeholder contributions without having a campaign treasurer appointment on file. If you do not have a campaign treasurer appointment on file and you wish to accept *campaign* contributions or make *campaign* expenditures in connection with your office or for a different office, you must file this form before doing so. In such a case, a sworn report of contributions, expenditures, and loans will be due no later than the 15th day after filing this form.

## WHERE TO FILE A CAMPAIGN TREASURER APPOINTMENT

The appropriate filing authority depends on the office sought or held.

- a. Texas Ethics Commission.** The Texas Ethics Commission (Commission) is the appropriate filing authority for the Secretary of State and for candidates for or holders of the following offices:
  - Governor, Lieutenant Governor, Attorney General, Comptroller, Treasurer, Land Commissioner, Agriculture Commissioner, Railroad Commissioner.
  - State Senator or State Representative.
  - Supreme Court Justice, Court of Criminal Appeals Judge, and Court of Appeals Judge.\*
  - State Board of Education.

- A multi-county district judge\* or multi-county district attorney.
- A single-county district judge.\*
- An office of a political subdivision other than a county if the political subdivision includes areas in more than one county and if the governing body of the political subdivision has not been formed.
- A chair of the state executive committee of a political party with a nominee on the ballot in the most recent gubernatorial election.
- A county chair of a political party with a nominee on the ballot in the most recent gubernatorial election if the county has a population of 350,000 or more.

\* Judicial candidates use FORM JCTA to appoint a campaign treasurer.

**b. County Clerk.** The county clerk (or the county elections administrator or tax assessor, as applicable) is the appropriate local filing authority for a candidate for:

- A county office.
- A precinct office.
- A district office (except for multi-county district offices).
- An office of a political subdivision other than a county if the political subdivision is within the boundaries of a single county and if the governing body of the political subdivision has not been formed.

**c. Local Filing Authority.** If a candidate is seeking an office of a political subdivision other than a county, the appropriate filing authority is the *clerk or secretary of the governing body* of the political subdivision. If the political subdivision has no clerk or secretary, the appropriate filing authority is the governing body's presiding officer. Basically, any political subdivision that is authorized by the laws of this state to hold an election is considered a local filing authority. Examples are cities, school districts, and municipal utility districts.

## FILING WITH A DIFFERENT AUTHORITY

If you have a campaign treasurer appointment on file with one authority, and you wish to accept campaign contributions or make or authorize campaign expenditures in connection with another office that would require filing with a different authority, you must file a new campaign treasurer appointment *and* a copy of your old campaign treasurer appointment (certified by the old authority) with the new filing authority before beginning your campaign. You should also provide written notice to the original filing authority that your future reports will be filed with another authority; use Form CTA-T for this purpose.

## **FORMING A POLITICAL COMMITTEE**

As a candidate, you must file an APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM CTA). You may also form a specific-purpose committee to support your candidacy. Remember that filing a campaign treasurer appointment for a political committee does not eliminate the requirement that a candidate file his or her own campaign treasurer appointment (FORM CTA) and the related reports.

**NOTE:** *See the Campaign Finance Guide for Political Committees for further information about specific-purpose committees.*

## **CHANGING A CAMPAIGN TREASURER**

If you wish to change your campaign treasurer, simply file an amended campaign treasurer appointment (FORM ACTA). This will automatically terminate the outgoing campaign treasurer appointment.

## **AMENDING A CAMPAIGN TREASURER APPOINTMENT**

If *any* of the information reported on the campaign treasurer appointment (FORM CTA) changes, file an AMENDMENT: APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM ACTA) to report the change.

## **REPORTING REQUIREMENT FOR CERTAIN OFFICEHOLDERS**

If you are an officeholder who appoints a campaign treasurer after a period of not having one, you must file a report of contributions, expenditures, and loans no later than the 15th day after your appointment is effective. This requirement is not applicable if you are a candidate or an officeholder who is merely changing campaign treasurers.

## **TERMINATING A CAMPAIGN TREASURER APPOINTMENT**

You may terminate your campaign treasurer appointment at any time by:

- 1) filing a campaign treasurer appointment for a successor campaign treasurer, or
- 2) filing a final report.

Remember that you may not accept any campaign contributions or make or authorize any campaign expenditures without a campaign treasurer appointment on file. You may, however, accept officeholder contributions and make or authorize officeholder expenditures.

If your campaign treasurer quits, he or she must give written notice to both you and your filing authority. The termination will be effective on the date you receive the notice or on the date your filing authority receives the notice, whichever is later.

## FILING A FINAL REPORT

For filing purposes, you are a “candidate” as long as you have an appointment of campaign treasurer on file. If you do not expect to accept any further campaign contributions or to make any further campaign expenditures, you may file a final report of contributions and expenditures. A final report terminates your appointment of campaign treasurer and relieves you of the obligation of filing further reports as a candidate. If you have surplus funds, or if you retain assets purchased with political funds, you will be required to file annual reports. (*See instructions for FORM C/OH - UC.*) If you are an officeholder at the time of filing a final report, you may be required to file semiannual reports of contributions, expenditures, and loans as an officeholder.

If you do not have an appointment of campaign treasurer on file, you may not accept *campaign* contributions or make *campaign* expenditures. A payment on a campaign debt is a campaign expenditure. An officeholder who does not have an appointment of campaign treasurer on file may accept *officeholder* contributions and make *officeholder* expenditures.

To file a final report, you must complete the CANDIDATE/OFFICEHOLDER CAMPAIGN FINANCE REPORT (FORM C/OH), check the “final” box on Page 1, Section 9, and complete and attach the DESIGNATION OF FINAL REPORT (FORM C/OH-FR).

## ELECTRONIC FILING

All persons filing campaign finance reports with the Commission are required to file those reports electronically unless the person is entitled to claim an exemption. Please check the Commission’s website at <http://www.ethics.state.tx.us> for information about exemptions from the electronic filing requirements.

## GUIDES

All candidates should review the applicable Commission’s campaign finance guide. Guides are available on the Commission’s website at <http://www.ethics.state.tx.us>.

10. **CANDIDATE SIGNATURE:** Enter your signature after reading the summary. Your signature here indicates that you have read the following summary of the nepotism law; that you are aware of your responsibility to file timely reports; and that you are aware of the restrictions on contributions from corporations and labor organizations.
  - The Texas nepotism law (Government Code, chapter 573) imposes certain restrictions on both officeholders and candidates. You should consult the statute in regard to the restrictions applicable to officeholders.
  - A candidate may not take an affirmative action to influence an employee of the office to which the candidate seeks election in regard to the appointment, confirmation, employment or employment conditions of an individual who is related to the candidate within a prohibited degree.
  - A candidate for a multi-member governmental body may not take an affirmative action to influence an officer or employee of the governmental body to which the candidate seeks election in regard to the appointment, confirmation, or employment of an individual related to the candidate in a prohibited degree.
  - Two people are related within a prohibited degree if they are related within the third degree by consanguinity (blood) or the second degree by affinity (marriage). The degree of consanguinity is determined by the number of generations that separate them. If neither is descended from the other, the degree of consanguinity is determined by adding the number of generations that each is separated from a common ancestor. Examples: (1) first degree - parent to child; (2) second degree - grandparent to grandchild; or brother to sister; (3) third degree - great-grandparent to great-grandchild; or aunt to niece who is child of individual's brother or sister. A husband and wife are related in the first degree by affinity. A wife has the same degree of relationship by affinity to her husband's relatives as her husband has by

consanguinity. For example, a wife is related to her husband's grandmother in the second degree by affinity.

**PAGE 2**

**11. CANDIDATE NAME:** Enter your name as you did on Page 1.

**12. MODIFIED REPORTING DECLARATION:** Sign this option if you wish to report under the modified reporting schedule.

The modified reporting option is not available for candidates for the office of state chair of a political party and candidates for county chair of a political party.

To the left of your signature, enter the year of the election or election cycle to which your selection of modified reporting applies.

Your selection of modified reporting is valid for an entire election cycle. For example, if you choose modified reporting before a primary election, your selection remains in effect for any runoff and for the general election and any related runoff. You must make this selection at least 30 days before the first election to which your selection applies.

An opposed candidate in an election is eligible to report under the modified reporting schedule if he or she does not intend to accept more than \$930 in political contributions or make more than \$930 in political expenditures in connection with an election. The amount of a filing fee paid to qualify for a place on the ballot does not count against the \$930 expenditure limit. An opposed candidate who reports under the modified schedule is not required to file pre-election reports (due 30 days and 8 days before an election) or runoff reports (due 8 days before a runoff). (Note: An *unopposed* candidate is not required to file pre-election reports in the first place.) The obligations to file semiannual reports, special pre-election reports (formerly known as telegram reports), or special session reports, if applicable, are not affected by selecting the modified schedule.

The \$930 maximums apply to each election within the cycle. In other words, you are limited to \$930 in contributions and expenditures in connection with the primary, an additional \$930 in contributions and expenditures in connection with the general election, and an additional \$930 in contributions and expenditures in connection with a runoff.

**EXCEEDING \$930 IN CONTRIBUTIONS OR EXPENDITURES.** If you exceed \$930 in contributions or expenditures in connection with an election, you must file according to the regular filing schedule. In other words, you must file pre-election reports and a runoff report, if you are in a runoff.

If you exceed either of the \$930 limits *after the 30th day before the election*, you must file a sworn report of contributions and expenditures within 48 hours after exceeding the limit. After that, you must file any pre-election reports or runoff reports that are due under the regular filing schedule.

Your selection is not valid for other elections or election cycles. Use the AMENDMENT (FORM ACTA) to renew your option to file under the modified schedule for a different election year or election cycle.

*For more information, see the Commission's campaign finance guide that applies to you.*

## NEPOTISM LAW

The candidate must sign this statement indicating his awareness of the nepotism law. The nepotism prohibitions of chapter 573, Government Code, are summarized below:

No officer may appoint, or vote for or confirm the appointment or employment of any person related within the second degree by affinity (marriage) or the third degree by consanguinity (blood) to himself, or to any other member of the governing body or court on which he serves when the compensation of that person is to be paid out of public funds or fees of office. However, nothing in the law prevents the appointment, voting for, or confirmation of anyone who has been continuously employed in the office or employment for the following period prior to the election or appointment of the officer or member related to the employee in the prohibited degree: six months, if the officer or member is elected at the general election for state and county officers.

No candidate may take action to influence an employee of the office to which the candidate is seeking election or an employee or officer of the governmental body to which the candidate is seeking election regarding the appointment or employment of a person related to the candidate in a prohibited degree as noted above. This prohibition does not apply to a candidate's actions with respect to a bona fide class or category of employees or prospective employees.

Examples of relatives within the third degree of consanguinity are as follows:

- (1) First degree: parent, child;
- (2) Second degree: brother, sister, grandparent, grandchild;
- (3) Third degree: great-grandparent, great-grandchild, uncle, aunt, nephew, niece.

These include relatives by blood, half-blood, and legal adoption. Examples of relatives within the second degree of affinity are as follows:

- (1) First degree: spouse, spouse's parent, son-in-law, daughter-in-law;
- (2) Second degree: brother's spouse, sister's spouse, spouse's brother, spouse's sister, spouse's grandparent.

Persons related by affinity (marriage) include spouses of relatives by consanguinity, and, if married, the spouse and the spouse's relatives by consanguinity. These examples are not all inclusive.

Los ejemplos de parientes dentro del tercer grado de consanguinidad son los siguientes:

- (2) Segundo grado: hermano(a), abuelo(a), nieto(a) primo(a);
