Problem? Solved. Meabh's sprained ankle is the perfect excuse to ditch her overwhelming schedule. But when one of their classmates learns about their little scheme, more "clients" start

asking for Aideen's "help"—kicking off a semester of traded favors, ill-advised hijinks, and even an unexpected chance at love.

Fixing other people's problems won't fix her own. But it might be the push Aideen needs to start.

A Perfectionists's Guide to Not Being Perfect The goal of this helpful book is to encourage teens to maintain their desire to achieve without striving to always be perfect and to appreciate and love who they are just as they are, not for what they do or accomplish
