CUSTOMER SERVICE
AGREEMENT OF
BARTLETT, TEXAS
PWS 2460006

I. PURPOSE. The CITY OF PARTLETT is responsible for protecting the drinking water supply from contamination or pollution from improper system construction or configuration on the retail connection owner's side of meter. The purpose of this service agreement is to notify each customer of the restrictions which are in place to provide this protection. The public water system enforces these restrictions to ensure the public-health and welfare. Each retail customer must sign an agreement before the CITY OF BARTLETT will begin service. In addition, when service to an existing retail connection has been suspended or terminated. The water system will not re-establish service until it has a signed copy of this agreement.

II.RESTRICTIONS. The following unacceptable practices are prohibited by State regulations.

- A. No connection between the public drinking water supply" and a potential source of contamination is permitted. Potential sources of contamination shall be isolated from public water system by an air-gap or an appropriate backflow prevention device.
- B. No cross contamination between the public drinking water supply and a private water system is permitted. These potential threats to the public drinking water supply shall be eliminated at the service connection by the installation of an air-gap or a reduced pressure-zone backflow prevention device.
- C. No connection which allows water to be returned to the public drinking water supply is permitted.
- D. No pipe or pipe fitting which contains more than 0.25% lead may be used for the installation or repair of plumbing at any provides water for human use.
- E. No solder or flux contains more tun 0.2% lead can be used for the installation or repair of plumbing at any connection which provides water for human use.

III.SERVICE AGREEMENT. The following are the terms of the service agreement between CITY OF BARTLETT and

- A. The Water System will maintain a copy of this agreement as long as the Customer and/or the premises is connected to the Water System.
- B. The Customer shall allow his/her property to be inspected for possible cross-connections and other potential contamination hazards. These inspections shall be by the Water System or its designated agent prior to initiating new water service; when there is reason to believe that cross-connections are other potential contamination hazards exist; or after any major changes to the private water distribution facilities. The inspections shall be conducted during the Water System's normal business hours.
- C. The Water System shall notify the Customer in writing of any cross-connection or other potential contamination hazard which has been identified during the initial inspection periodic reinspection.
- D. The Customer shall immediately remove or adequately isolate any potential cross-connections or other potential contamination hazards on his premises.
- E. The Customer shall, at his expense, properly install, test, and maintain any prevention device required by the Water System. Copies of all testing and maintenance records shall be provided the Water System.

tv. ENFORCEMENT. If the Customer fails to comply with the terms of Service Agreement, the Water System shall, at its option, either terminate service or property install, test, and maintain an appropriate prevention device at the service connection. Any expenses associated with the enforcement of this agreement shall be billed to the Customer.

Please have your trash out to the curb ready for pick up by 6:00 am on your trash day.

The cart can take up to 2 weeks to deliver. You won't have your cart for the first pick up, you can put up to ten 30gal sized bags out for pick up.

Continue to put bags of trash out on your garbage day until you receive your cart, Once you receive your cart you can put out the cart and five 30 gallon sized bags each week with no additional charge.

Please break down any boxes and bundle with packing tape or twine and place next to your trash cart. You can substitute one bundle of boxes for 1 bag of trash.

Al Clawson Disposal, Inc. will be closed for the following holidays:

- New Year's Day
- Thanksgiving Day
- Christmas Day

If your collection day is on or after a holiday, your container will be serviced one day later.
